

## 2.2 MAJOR COMPONENTS

### 2.2.1 Power Supply Modules

#### 2.2.1.1 $\alpha$ series power supply modules

(1) Power supply modules (PSM) (200 VAC input, power regeneration type), CE-marked products

| Model   | Order specification                     | Unit specification                      | Wiring board specification | Printed circuit board specification       | Driver board specification | Connector board specification |                |
