

51402573-100

HPM UCN Interface Module

Controlled Installation Scope

This field guide applies to the exact Honeywell 51402573-100 HPM UCN Interface Module. Confirm the physical nameplate, matched hardware and controlled project record before work starts.

Model-Specific Checks

1. Verify the complete part and revision label.
2. Back up the HPM configuration before replacement.
3. Use the maintenance procedure for UCN node isolation.
4. Confirm approved system release and card-set compatibility.
5. Perform network and controller diagnostics before return to service.

Official Manufacturer Basis

Honeywell Process Solutions official documentation portal; exact legacy assembly data must be checked against the controlled manual and nameplate
