

DC-TPOX01 51307770-176

Experion I/O Termination Assembly

Controlled Installation Scope

This field guide applies to the exact Honeywell DC-TPOX01 51307770-176 Experion I/O Termination Assembly. Confirm the physical nameplate, matched hardware and controlled project record before work starts.

Model-Specific Checks

1. Do not assign digital, analog or pulse function from the code alone.
2. Verify both identifiers and hardware revision.
3. Confirm the exact IOM and wiring drawing.
4. Isolate field energy before replacement.
5. Perform channel-level testing after installation.
