

SC-UCMX01 51307195-175

ControlEdge 2020 Non-redundant Controller

Controlled Installation Scope

This field guide applies to the exact Honeywell SC-UCMX01 51307195-175 ControlEdge 2020 Non-redundant Controller. Confirm the physical nameplate, matched hardware and controlled project record before work starts.

Model-Specific Checks

1. Confirm the 51307195-175 nameplate and firmware level.
2. Apply the current Honeywell network-security guidance.
3. Verify serial mode, grounding and termination before connection.
4. Use the documented mounting plate and environmental clearances.
5. Back up the controller project before hardware exchange.
