

05704-A-0135

System 57 Hardware Assembly

Controlled Installation Scope

This field guide applies to the exact Honeywell 05704-A-0135 System 57 Hardware Assembly. Confirm the physical nameplate, matched hardware and controlled project record before work starts.

Model-Specific Checks

1. Verify the full 05704-A-0135 label.
2. Do not substitute nearby 05704 spare codes.
3. Maintain required gas-detection bypass and permit controls.
4. Confirm rack slot, interface and approval.
5. Perform alarm, fault and channel proof tests after installation.
