

51198947-100

Product Technical Reference | Process Manager Power Supply

Honeywell 51198947-100 is a Version 2 silver power supply for the Process Manager installed base. Honeywell identifies it as a process-manager power supply in its xPM maintenance guidance.

Verified technical parameters

Parameter	Verified value
Product type	Process Manager power supply
Product generation	Version 2
Sales period	1997-2012

System context

The supply operates as part of the installed Process Manager power system. Its use depends on the cabinet configuration, redundant supply arrangement, battery backup and site maintenance procedure.

Important Notice: Verify the 51198947-100 label, cabinet power-system arrangement, backup-battery condition, alarm contacts, grounding and approved maintenance procedure before replacement.
