

51196694-904

51196694-904 Full-Travel Integrated Keyboard

Honeywell 51196694-904 is a full-travel keyboard in the IKB Integrated Keyboard product family. Honeywell lists it in Extended support and identifies OEP and OTP operator-interface products as supported functional alternatives for migration planning.

CONTROLLED ENGINEERING COPY

IDENTITY	VERIFIED VALUE
Manufacturer	Honeywell
System family	Honeywell IKB Integrated Keyboard
Part number	51196694-904
Document status	Controlled product and system reference

DOCUMENT SCOPE

Exact article identity, official technical data, host matching, installation checks, applications, precautions and controlled acceptance evidence.

MODEL-SPECIFIC ENGINEERING NOTE

Install 51196694-904 only in the documented Honeywell IKB Integrated Keyboard position and preserve its exact wiring, interfaces and configuration. After controlled energization, verify diagnostics and operator keyboard input for a documented Honeywell console installation before release.

System Role and Architecture

Honeywell 51196694-904 is a full-travel keyboard in the IKB Integrated Keyboard product family. Honeywell lists it in Extended support and identifies OEP and OTP operator-interface products as supported functional alternatives for migration planning.

FUNCTION 1
Full-travel operator keyboard

FUNCTION 2
IKB Integrated Keyboard family

FUNCTION 3
Honeywell Extended support status

FUNCTION 4
Documented OEP and OTP migration alternatives

MATCHED SYSTEM COMPONENTS

NO.	DOCUMENTED COMPONENT / ROLE
01	Honeywell IKB Integrated Keyboard
02	Matched Honeywell IKB Integrated Keyboard host and field interface
03	Documented power, signal, communication and grounding connections
04	Approved configuration, diagnostics and acceptance record

SYSTEM INTEGRATION RECORD

INTEGRATION ITEM	DOCUMENTED ROLE
Host identity	Honeywell IKB Integrated Keyboard
Interface role	operator keyboard input for a documented Honeywell console installation
Field / power context	documented Honeywell IKB Integrated Keyboard installed position
Commissioning evidence	Identity, wiring, configuration, diagnostics and controlled response recorded

INSTALLATION AND CONNECTION CHECKS

- 1

Confirm part number 51196694-904 and the IKB console position.
- 2

Place the operator station and affected process supervision in the approved maintenance state.
- 3

Record connector type, key mapping, special functions and console configuration.
- 4

Disconnect the keyboard using the approved workstation procedure.

Technical Specifications

Technical values below are limited to the named product record and directly applicable manufacturer documentation.

PARAMETER	VALUE	PARAMETER	VALUE
Product type	Integrated operator keyboard	Manufacturing status	Further manufacturing not possible after available
Part number	51196694-904	Migration alternatives	OEP and OTP provide equivalent supported
Product family	IKB Integrated Keyboard	Replacement scope	Console compatibility, interface, key mapping and
Honeywell description	K/B FULL TRAVEL	Commissioning scope	Keyboard response, assigned functions, console focus and
Support status	Extended

ENGINEERING BOUNDARY

Confirm 51196694-904, its exact host, installed position, interfaces, configuration, diagnostics and controlled acceptance evidence before release.

PRE-INSTALLATION CHECKS

- 1

Confirm part number 51196694-904 and the IKB console position.
- 2

Place the operator station and affected process supervision in the approved maintenance state.
- 3

Record connector type, key mapping, special functions and console configuration.
- 4

Disconnect the keyboard using the approved workstation procedure.

Applications and Engineering Context

Legacy Honeywell operator console

Provides full-travel keyboard input for the documented console position.

Maintenance replacement

Preserves interface, key mapping and operator workflow on the existing station.

Migration assessment

Supports planning toward Honeywell OEP or OTP operator-interface products.

Console acceptance testing

Verifies keys, navigation, focus and alarm-response workflow with the operator.

TECHNICAL NOTE

Install 51196694-904 only in the documented Honeywell IKB Integrated Keyboard position and preserve its exact wiring, interfaces and configuration. After controlled energization, verify diagnostics and operator keyboard input for a documented Honeywell console installation before release.

MODEL-SPECIFIC ACCEPTANCE EVIDENCE

CHECK	ACCEPTANCE CONDITION
Identity	51196694-904 recorded
Host / carrier	Honeywell IKB Integrated Keyboard
Physical interface	Installed terminals, ports and signals matched to the as-found record
Configuration	Approved Honeywell hardware and system configuration restored
Functional proof	Controlled test confirms operator keyboard input for a documented Honeywell console installation

IMPORTANT NOTICE

Confirm 51196694-904, its exact host, installed position, interfaces, configuration, diagnostics and controlled acceptance evidence before release.
