130944-01

Model-specific questions and decisions

- 1** What is Bently Nevada 130944-01 used for?

It covers an unused full-height monitor position at the front of a 3500/05 rack.
- 2** Are mounting screws supplied with Bently Nevada 130944-01?

Yes. The item record includes the blank panel and its mounting screws.
- 3** Which kit includes Bently Nevada 130944-01?

Full-height blank monitor cover kit 130768-01 includes this front panel.
- 4** Is Bently Nevada 130944-01 the rear I/O cover?

No. The companion rear I/O-module cover is 128031-01.
- 5** Which rack family accepts Bently Nevada 130944-01?

The panel belongs to the 3500/05 System Rack accessory set.
- 6** Why is the full-height identity important for Bently Nevada 130944-01?

It prevents selection of a cover intended for a different rack opening or module format.
- 7** What should be checked before fitting Bently Nevada 130944-01?

Confirm the slot is unused, no monitor is assigned and nearby connectors are protected.
- 8** What closes the work on Bently Nevada 130944-01?

Verify secure seating and update the rack slot map to show the full-height blank position.
