Technical Reference

MC-PSIM11 51304362-350

Product identity and reference scope

Full reference	MC-PSIM11 51304362-350

Applicability

This reference covers identification and the facts shown here. It does not establish additional electrical ratings, wiring assignments or universal interchangeability.

Reference basis

Product identity follows the supplied order reference. Offered condition is seller-confirmed.

Offered-unit comparison

Use MC-PSIM11 51304362-350 on the work order and quotation. Compare both identifiers with the offered unit label. Obtain current label, connection and mounting photos. Have the maintenance team compare the offered item and revision with the installed equipment.
