Technical Reference

F7130A

Product identity and reference scope

Full reference	F7130A
Product type	Power supply module
System association	H41

Applicability

This reference covers identification and the facts shown here. It does not establish additional electrical ratings, wiring assignments or universal interchangeability.

Reference basis

HIMA Certificate of Conformity FM18CA0130X, 24 February 2019.

Offered-unit comparison

Identify the complete F7130A power supply module and compare it with the installed H41 system records. Do not omit the A suffix. Review the module label and applicable H41 instructions for supply and output ratings before connection. This reference does not assign voltage or current values.
